

# Saturn PCB Toolkit EULA

## End User License Agreement

4-8-2023

The Saturn PCB Toolkit is offered as freeware without licensing and can be distributed among professionals but not made available for download directly via any website or server not belonging to Saturn PCB Design, Inc. Linking to [www.saturnpcb.com](http://www.saturnpcb.com) for downloads, however, is highly encouraged. We hope you enjoy this program and simply ask in return that you send us projects to bid on if and when you can.

Sincerely
